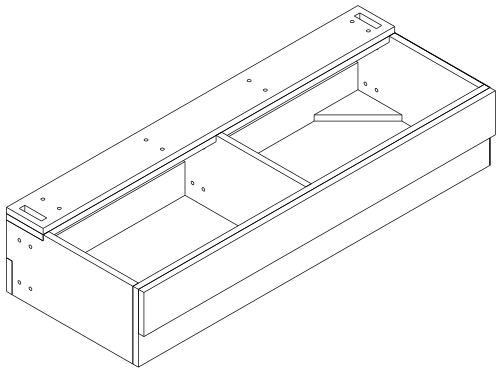
Assembly Instructions
The UrbanBooth™

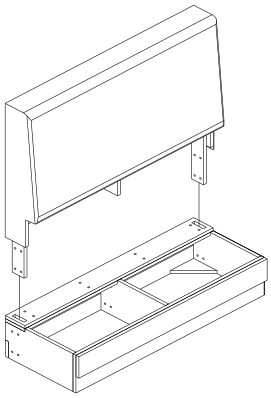
Thank you for purchasing our modular booth seating system! Follow these simple steps to assemble your booth quickly and securely.

For a step-by-step video guide, scan the QR code.

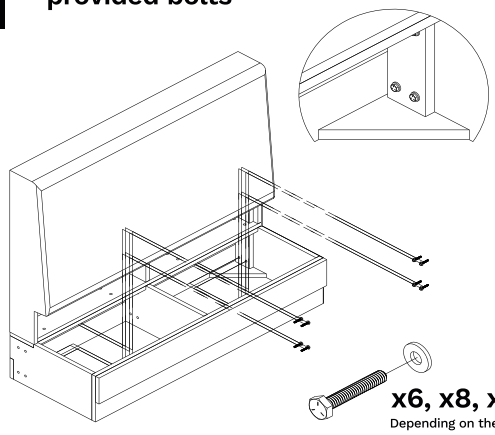
1 Unpack seat base



2 Slide back into designated slots

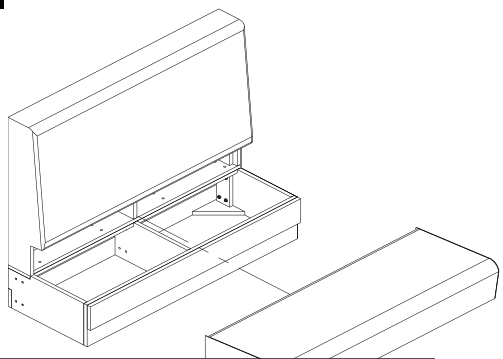


3 Secure back to base with provided bolts



x6, x8, x10,
Depending on the length

4 Slide seat into designated slot



For added stability, we recommend securing your booth to the floor using the included corner blocks.

5 Enjoy your new booth!
